me: here you go
me: http://gawker.com/5825248/
Caleb: "Randomly attacking people and taking overt joy in making problems for innocent people is nothing people can defend,"
me: that's obviously not my quote
Caleb: How's that?
me: as in, they're often a little off with their phone quotes
Caleb: How far off?
me: I don't remember, this was from a month ago
Caleb: So, you don't agree with your quote?
me: I almost never do
Caleb: Good, good.
Caleb: That saves me the unpleasant task of calling you a faggot.
Caleb: *saves me from
me: That would indeed be unpleasant
Caleb: Hey, remember the Spanish-American War?
Caleb: Wasn't that kinda funny?
me: At the time, yes
